

How to refer someone in TeamTailor (ATS)

To begin: If you haven't joined TeamTailor yet or new to Valtech then please join accessing link below using your SSO credentials.

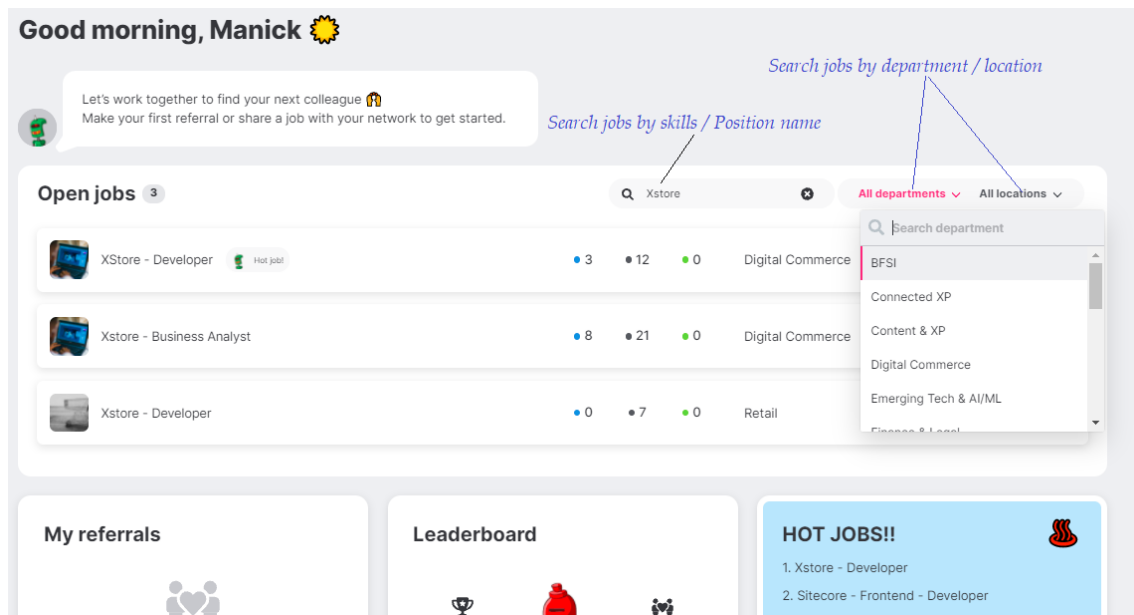

Link to go https://careers.india.valtech.com/sso_login

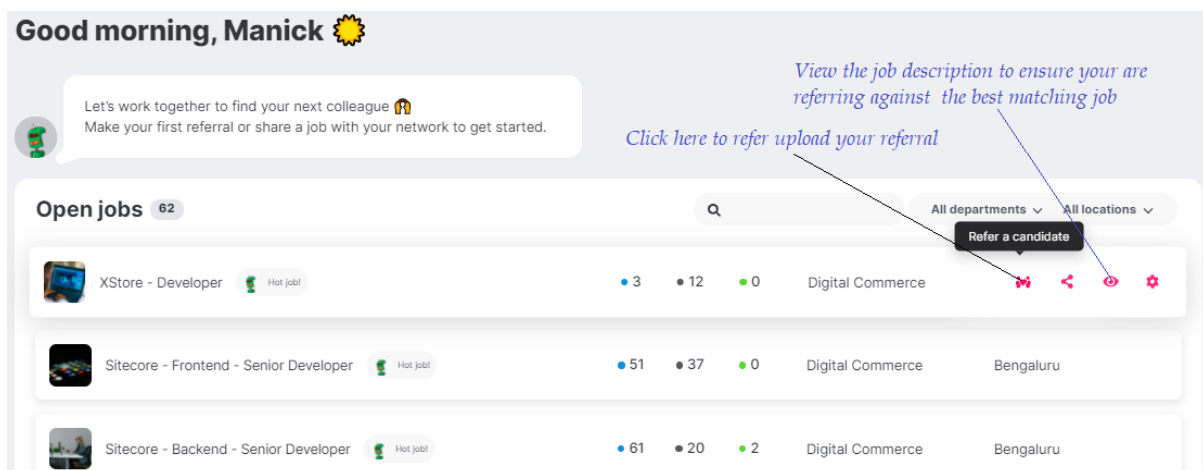

Step 1 – If you are on the home page, then please switch to Employee dashboard to view all open jobs to make a referral.

Step 2 – You can view all the open jobs and make search for the best match against your referral.

Step 3 – View the job description before referring to ensure you refer against the right job.

Step 4: Fill the required details, attach the resume, and submit, your referral submission will be completed.

New referral

All you need to make a referral is a name, but we appreciate if you give us more information.

Who would you like to refer?

Name

Tell us a bit more

How do you know the person? What makes them a good fit for us?

Job
